*The original Fishing Fly Candle. Natural scents, popular flies. Realistic water scenes, all individually hand crafted in Melrose, Montana USA. All rights reserved copyrights 2000. The Original Fly Candle TM. A river scene gel candle with a high quality handcrafted in Montana fishing fly suspended in motion. Bouncing bubbles look like water currents, the Montana rocks and many beautiful sands give the most realistic river scene you have ever seen! Natural smelling scents of the great outdoors remind you of Montana. When lit, the flame light casts down just like the sun and bounces off the rocks.*
